Robert Britton
Superintendent
Ridgedale Local Schools
3105 Hillman Ford Road
Morral, OH 43337

Dear Mr. Britton,

Please accept my resignation from my position as a K-3 Intervention Specialist at Ridgedale Elementary School. My last day will be at the end of my 2020-21 contract with the district.

My students have given me great pleasure over the years, and the administration and staff have been very supportive during my time with the school district. Moving on to this new chapter in my life is bittersweet.

I wish you all the best. If I can be of any assistance to you during the remainder of the term, please let me know.

Sincerely yours,

Lyndsay Witmer
