

Ridgedale High School
2022-23 School Year – Course Changes

Graduation Requirements

Per new Ohio Department of Education Policies, 0.5 credit of Financial Literacy is required starting with the Class of 2026. Ridgedale has offered this class for several years (most students took during their Sophomore Year opposite semester of Health), but it was not required.

Science

Environmental Science – was not offered 2021- 2022 school year due to low enrollment.

Social Studies

World Cultures - was not offered 2021- 2022 school year due to low enrollment.

World Issues - was not offered 2021- 2022 school year due to low enrollment.

Foreign Language

French I & II – may not be offered for the 2022-23 School Year – dependent on new teacher certification.

Vocational

The following class will be added for next year

Introduction to Aviation – Power School Course Number 8400

This will probably be just an elective for the 2022-23 school year.

The class will be taught during Enrichment and be worth 0.25 credit each semester

Eventually (probably the 23-24 school year) this course will be a CTE class.

Possible CTE Pathway

Aviation - Subject Code: 177013
