

February 16th, 2022

In support of Ohio's College Credit Plus program, Marion Technical College (MTC) and Ridgedale Local Schools (RLS) agree to continue our partnership for the academic year 2022/23 for purpose of offering college- level coursework to the students of Ridgedale Local Schools.

This Memorandum of Understanding includes the following:

- RLS will maintain its current dual enrollment/CCP instructors and classes, as well as have the capacity to build new TAG/OTM courses in collaboration with MTC
- The partners will continue to streamline its registration process that will continue to limit workflow issues
- MTC and RLS will follow state laws and rules for acceptance into the CCP program.
- RLS will provide, via an official RLS transcript, evidence of students having completed courses through other IHEs to MTC for the purpose of prerequisite determination.
- RLS instructors will use MTC's Canvas as the LMS system. MTC and RLS faculty will collaborate on the CANVAS course sites.
- RLS instructors will follow MTC's syllabi, learning outcomes and grading scales for all courses

*MTC complies with The Higher Learning Commission and the Ohio Department of Higher Education when credentialing new high school staff to teach college level course work.

Marion Technical College will adhere to the default funding model as prescribed in the College Credit Plus legislation (Ohio Revised Code 3365.07). Textbooks are the responsibility of the school district.

Marion Technical College and Ridgedale Local Schools will offer the following agreed TAG/OTM college courses for Fall 2022 and Spring 2023 at Ridgedale Local Schools location:

Fall 2022

- NTR1100: Nutrition: Online
- HST1700: Western Civ. I: 1:15-3:00: MW or TR
- SOC2020: Ethnic & Cultural Diversity: 1:15-3:00: MW or TR
- PSY1100: Intro to Psychology: M,T,W,R,F
- ENG1000: English Comp. I: M,T,W,R,F

Spring 2022:

- ECN2000: Microeconomics: 1:15-3:00 MW or TR
- HST1800: Western Civ. II: 1:15-3:00 MW or TR

- ENG1100: English Comp. II: M,T,W,R,F
- PSY2100: Lifespan Development: M,T,W,R,F
- HST1600: Modern American History: M,T,W,R,F
- MTH2000: Calculus 1: M,T,W,R,F

**All courses subject to change based on enrollment/ need for the course*

Marion Technical College and Ridgedale Local Schools will partner to provide advising for all students interested in enrollment. This advising will increase students' success by ensuring the best fit possible and communicating policies such as registration, add and drop dates for the 2022/23 calendar year. This will happen for courses located at RLS and for students taking courses at MTC.

The high school will handle any behavioral issues when the course is taught at the high school by a high school credentialed teacher. RLS will follow MTC's academic misconduct policy for all College Credit Plus courses taken by RLS students.

This partnership will provide the continuing work to expand opportunities for students in central Ohio to prepare them for further education or a technically trained workforce career.
