In accordance with Ridgedale Board of Education Policy 7310 – Disposition of Surplus Property, it is in the best interest of the Ridgedale Local School District to donate one storage shed (located to the north of the administrative building and just west of the elementary) that can no longer be in service due to its condition to the booster club. The alternative was to destroy and dispose of said shed at a cost to the District. Further, the Ridgedale Local School District will dispose of the red shed to the north of the fitness center and east of the football field due to wood rot, caved in roof, and infestation. Due to the condition of and risks posed by both sheds, these items are obsolete.

Erika Bower, Superintendent
Ridgedale Local School District
