Risk Management Services

Risk management has become one of the most important disciplines within both the public and private sectors. Risk permeates every aspect of our work day. Our focus is to eliminate or reduce the detrimental effects of those risks that cannot be avoided while continuously seeking ways beyond insurance to manage, prevent and minimize risk.

Our full-time experienced risk management team has a vast array of work experience. Our backgrounds range from Certified Fire Fighter, Certified School Risk Manager, and Environmental Health & Safety Professional. We bring our years of experience and knowledge of current regulatory requirements to assist in the identification of potential liability, property and fleet exposures.

Our Process

A Risk Management Profile - A risk management representative will conduct an on-site visit to identify existing and/or potential liability, property and fleet exposures using our risk profile worksheet.

Policy and Procedure Review - Risk Management Services will review established policy and procedure manuals and offer written opinions from the review.

Recommendations – Risk mitigation recommendations will be made from information gathered during the profile to assist in reducing identified areas of exposure.

Technical Assistance – Service team members are available to conduct site visits to discuss problem areas, specific concerns and assist in the development of written policies and procedures tailored to your operations.

Continuous Improvement – Service team members are available to work with staff to develop continuous monitoring and inspection mechanism internally.
