Hello,

Thank you for the opportunity to work at Ridgedale Schools. I have loved working with you, the Ridgedale staff and the Ridgedale community.

At this time I will not be returning to Ridgedale for the 2023/2024 school year. I was just offered a position in Tennessee and will be relocating within the next 2 weeks.

I appreciate everything you and the district have done for me. It is with a heavy heart that I'm leaving you.
