We understand that RTI/MTSS is a system-level practice intended to support *all* students in fluid and evolving ways, therefore BRM works with schools and districts at a systems-level. Below please find an overview of a way to get started with Branching Minds.

Partnerships with BRM includes the following:

- **Platform:** Licenses for all teachers, support staff, and administrators to support all students included in school/district enrollment (tiers 1, 2, 3 + students with IEPs, 504 Plans, and enrichment needs).
- **Integrations and ongoing customer support:** Included as part of your success package (details included below).
- **PD and Coaching:** A minimum amount of professional development is required for successful BRM implementation. Additional PD and coaching are available for RTI/MTSS infrastructure work and any related RTI/MTSS needs.
- **Infrastructure support:** RTI/MTSS audits (Roots Reports) and Handbook alignment/development coaching.

Success Package:

- Access to the MTSS Hub on-demand learning platform (LMS)
- Learning modules, tutorials, and videos to support educators as they configure and navigate the BRM platform and improve their MTSS practice
- Access to Best Practice Guides
- Customer Success Team Support
