0169.1 -PUBLIC PARTICIPATION AT BOARD MEETINGS

The Board of Education recognizes the value to school governance of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest. The Board offers public participation to members of the public in accordance with the procedures below. The Board applies these procedures to all speakers and does not discriminate based on the identity of the speaker, content of the speech, or viewpoint of the speaker.

In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public participation at every regular and special meeting of the Board and publish rules to govern such participation in Board meetings.

The presiding officer of each Board meeting at which public participation is permitted shall administer the rules of the Board for its conduct.

The presiding officer shall be guided by the following rules:

- Public participation shall be permitted as indicated on the order of business.
- Attendees must register their intention to participate in the public portion of the meeting upon their arrival at the meeting.
- Individuals may not register others to speak during public participation.
- Participants must be recognized by the presiding officer and will be requested to preface their comments by an announcement of their name, address, and group affiliation, if and when appropriate.
- Each statement made by a participant shall be limited to five (5) minutes duration unless extended by the presiding officer.

During the portion of the meeting designated for public participation, no participant may speak more than once on the same topic unless all others who wish to speak on that topic have been heard.

All statements shall be directed to the presiding officer; no person may address or question Board members individually.

The presiding officer may:

- interrupt, warn, or terminate a participant's session when they make comments that are repetitive, obscene, and/or comments that constitute a true threat (i.e., statements meant to frighten or intimidate one (1) or more specified persons into believing that they will be seriously harmed by the speaker or someone acting at the speaker's behest)
- request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the conduct and/or orderly progress of the meeting;
- call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action.

9 Ohio Department of Education and Workforce Special Education Model Policy for Ridgedale Local Schools with Modifications

RESOLUTION TO ADOPT SPECIAL EDUCATION MODEL POLICIES AND PROCEDURES (WITH SLIGHT MODIFICATIONS)

WHEREAS, Ohio Revised Code § 3323.08 requires each school district to provide assurances to the Ohio Department of Education and Workforce ("DEW") that the District will provide for the education of children with disabilities within its jurisdiction and has in effect policies, procedures, and programs that are consistent with the

policies and procedures adopted by DEW; and

WHEREAS, DEW developed a document entitled "Special Education Model Policies and Procedures" ("2024 Model Policies") that a board of education may adopt to fulfill the requirement described in the preceding paragraph; and

WHEREAS, on February 10, 2025, the Board approved Resolution 21025 to adopt DEW's 2024 Model Policies; and

WHEREAS, the District subsequently learned that the 2024 Model Policies contain certain statements that conflict with existing State and Federal laws and/or applicable caselaw; and

WHEREAS, the Board is interested in rescinding its earlier action and instead adopting a slightly modified version of DEW's 2024 Model Policies that is consistent with existing State and Federal law and/or applicable caselaw;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Education hereby rescinds Board Resolution 21025 and adopts DEW's 2024 Model Policies in their entirety except for the following sentences, which are specifically rejected in their current form and will not be implemented as written. The Board directs that the language identified below shall be considered either modified as specified, or, where indicated, deleted to ensure the District complies with applicable State and Federal laws and/or caselaw:

- P. 10. Destruction of Educational Records.
 - Original Language: "Ensures the information is destroyed at the request of the parents."
 - Action: Replace sentence with "Once a parent is notified that personally identifiable information maintained by the District is no longer required to provide educational services to their child, or is not otherwise required to be maintained by the District based on State or Federal law or applicable retention schedules, the parent may request that the information be destroyed."
- P. 14. Independent Education Evaluation at Public Expense.
 - Original Language: "An educational agency may not impose conditions or timelines related to obtaining an IEE, except for the criteria described above."
 - Action: Delete this sentence in its entirety.
- P. 33. Extended School Year.
 - Original Language: "The IEP team should consider emerging skills as part of the IEP process for children who are exhibiting beginning skillsets."
 - Action: Delete this sentence in its entirety.
- P. 42. Services.
 - Original Message: "Although not required, educational agencies are encouraged to provide services during short-term removals to assist children with disabilities to continue to make progress toward their IEP goals and prevent them from falling behind."
 - Action: Delete this sentence in its entirety.

BE IT FURTHER RESOLVED, that the Board directs all staff in the District to use and comply with the 2024 Model Policies (as modified herein). The Board further authorizes the Superintendent to notify DEW of the Board's adoption of the modified 2024 Model Policies through DEW's monitoring systems by uploading a copy of this Board resolution by March 30, 2025, and by November 30 for each subsequent school year; and

BE IT FURTHER RESOLVED, the Board acknowledges that the 2024 Model Policies (as modified herein), while comprehensive, do not include every requirement set forth in the IDEA, the regulations implementing IDEA, the Ohio Operating Standards, the Ohio Revised Code, and/or the Ohio Administrative Code, and the Board recognizes its obligation to follow these laws and regulations, as well as applicable caselaw, in the event there is a conflict between their requirements and the Board-adopted 2024 Model Policies (as modified herein).
