0169.1 -PUBLIC PARTICIPATION AT BOARD MEETINGS

The Board of Education recognizes the value to school governance of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest. The Board offers public participation to members of the public in accordance with the procedures below. The Board applies these procedures to all speakers and does not discriminate based on the identity of the speaker, content of the speech, or viewpoint of the speaker.

In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public participation at every regular and special meeting of the Board and publish rules to govern such participation in Board meetings.

The presiding officer of each Board meeting at which public participation is permitted shall administer the rules of the Board for its conduct.

The presiding officer shall be guided by the following rules:

- Public participation shall be permitted as indicated on the order of business.
- Attendees must register their intention to participate in the public portion of the meeting upon their arrival at the meeting.
- Individuals may not register others to speak during public participation.
- Participants must be recognized by the presiding officer and will be requested to preface their comments by an announcement of their name, address, and group affiliation, if and when appropriate.
- Each statement made by a participant shall be limited to five (5) minutes duration unless extended by the presiding officer.
- During the portion of the meeting designated for public participation, no participant may speak more than once on the same topic unless all others who wish to speak on that topic have been heard.
- All statements shall be directed to the presiding officer; no person may address or question Board members individually.

The presiding officer may:

- interrupt, warn, or terminate a participant's session when they make comments that are repetitive, obscene, and/or comments that constitute a true threat (i.e., statements meant to frighten or intimidate one(1) or more specified persons into believing that they will be seriously harmed by the speaker or someone acting at the speaker's behest)
- request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the conduct and/or orderly progress of the meeting;
- call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action.

The portion of the meeting during which the participation of the public is invited shall be limited to thirty (30) minutes per topic unless extended by a vote of the Board.
